2023 V.L. Elkins Scholarship

The V. L. Elkins Scholarship Program was established to provide educational opportunities to high school Seniors in Leon County, who have been accepted and will be attending Florida A&M University. In 2003 the scholarship committee deemed it necessary to include the community college students as part of the Program.

The scholarship program was named after Mr. Virgil L. Elkins who had given many years of dedicated service to the chapter and was a former chapter president. Mr. Elkins was a Farmers Home Extension Officer for many years and was a servant to his church and the community.

This program has grown tremendously over the years due to the outstanding leadership of the chairpersons, and committee members who have worked hard to provide many golden opportunities for young minds to grow and develop at Florida's Opportunity University...FAMU!

Eligibility:

This scholarship will be awarded to a Leon County senior or community college student attending Florida A and M University who excels in the following criteria:

Award Criteria:

2.5 or higher G.P.A

Involvement in extracurricular and/or community activities

Application Procedure:
